History

H.H. the 7th Karmapa, Chödrak Gyatso, established a great prayers gathering. People from all over Tibet assembled annually to pray for the benefit of all sentient beings. This annual assembly becomes a unique tradition. That was the 15th Century in Tibet. In 1983, India, the Kagyu Monlam began with two great lamas, Kalu Rinpoche and Bokar Rinpoche initialled to hold the annual prayers gathering at Mahabodhi Temple in Bodhgaya.

H.H. the 17th Karmapa at 2004 assumed responsibility for the Monlam, he revised & brought in many innovations, creating a international style of Kagyu Monlam that exists today. Under his leadership, the size and scope of the event have increased greatly. Recent Monlams have been attended by approximately 7,000 monks and nuns, supported by more than 3,000 lay followers. Many special events such as empowerments draw crowds of more than 12,000 Buddhists.

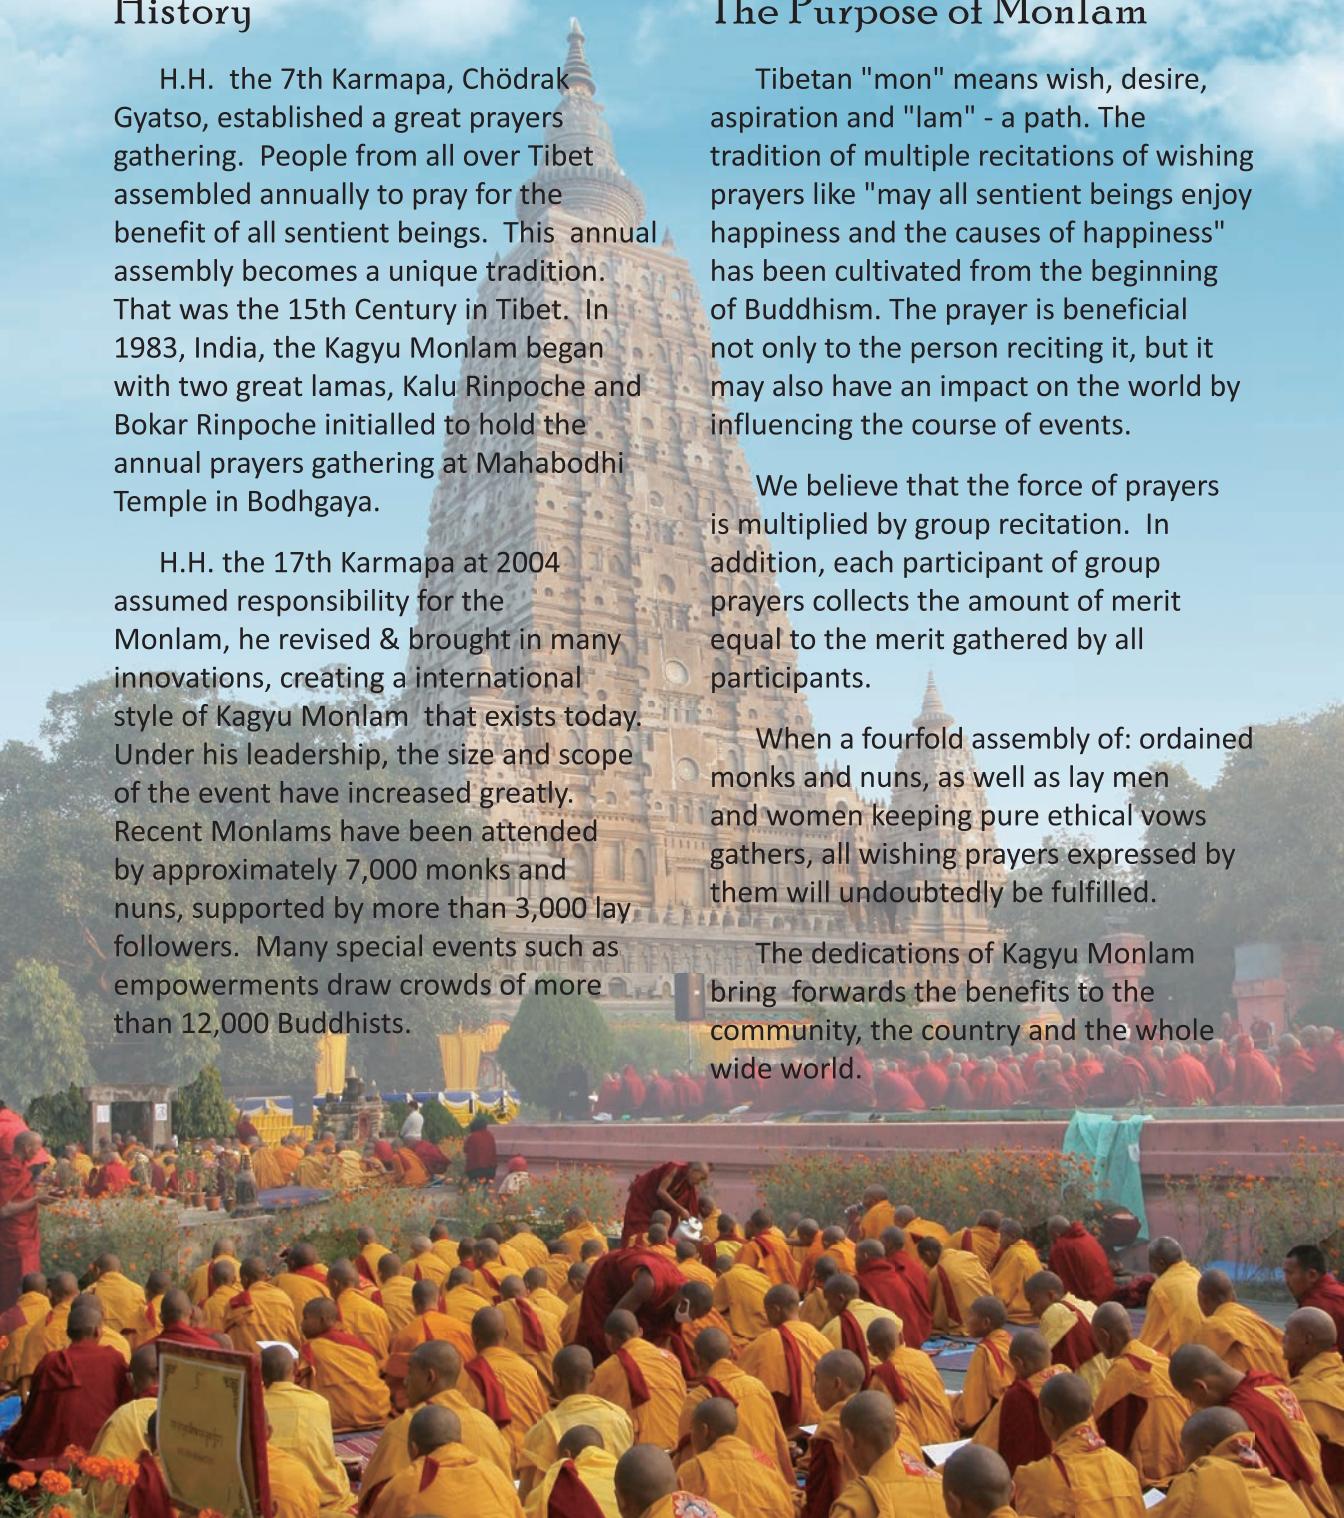

The Purpose of Monlam

Tibetan "mon" means wish, desire, aspiration and "lam" - a path. The tradition of multiple recitations of wishing prayers like "may all sentient beings enjoy happiness and the causes of happiness" has been cultivated from the beginning of Buddhism. The prayer is beneficial not only to the person reciting it, but it may also have an impact on the world by influencing the course of events.

We believe that the force of prayers is multiplied by group recitation. In addition, each participant of group prayers collects the amount of merit equal to the merit gathered by all participants.

When a fourfold assembly of: ordained monks and nuns, as well as lay men and women keeping pure ethical vows gathers, all wishing prayers expressed by them will undoubtedly be fulfilled.

The dedications of Kagyu Monlam bring forwards the benefits to the community, the country and the whole wide world.

历史

尊圣的第七世大宝法王确札嘉措于十五世纪发起一大型祈愿法会，从此成为传统：每年藏人从各地齐集跟法王为众生的福祉祈祷。

一九八三年噶举派传承的伟大上师卡露仁波切和波卡仁波切，在印度菩提迦耶的摩诃菩提寺复办这大型祈愿法会，使优良的传统得以延续。

尊圣的第十七世大宝法王自 2004 年起为祈愿大法会亲自主法，并带来很多新元素和创意。革新后的噶举祈愿大法会已成为每年的盛典，并且伸展至世界各大城市，恒常举办祈愿大法会。

在法王领导下，在印度菩提迦耶举办的祈愿大法会，活动的规模和范围日渐增加，近年约 7000 名比丘和比丘尼参加，外加多达 3000 名忠实的追随者支持。有些特别活动如灌顶等，更吸引超过 12,000 名佛教徒参加。

祈愿大法会目的

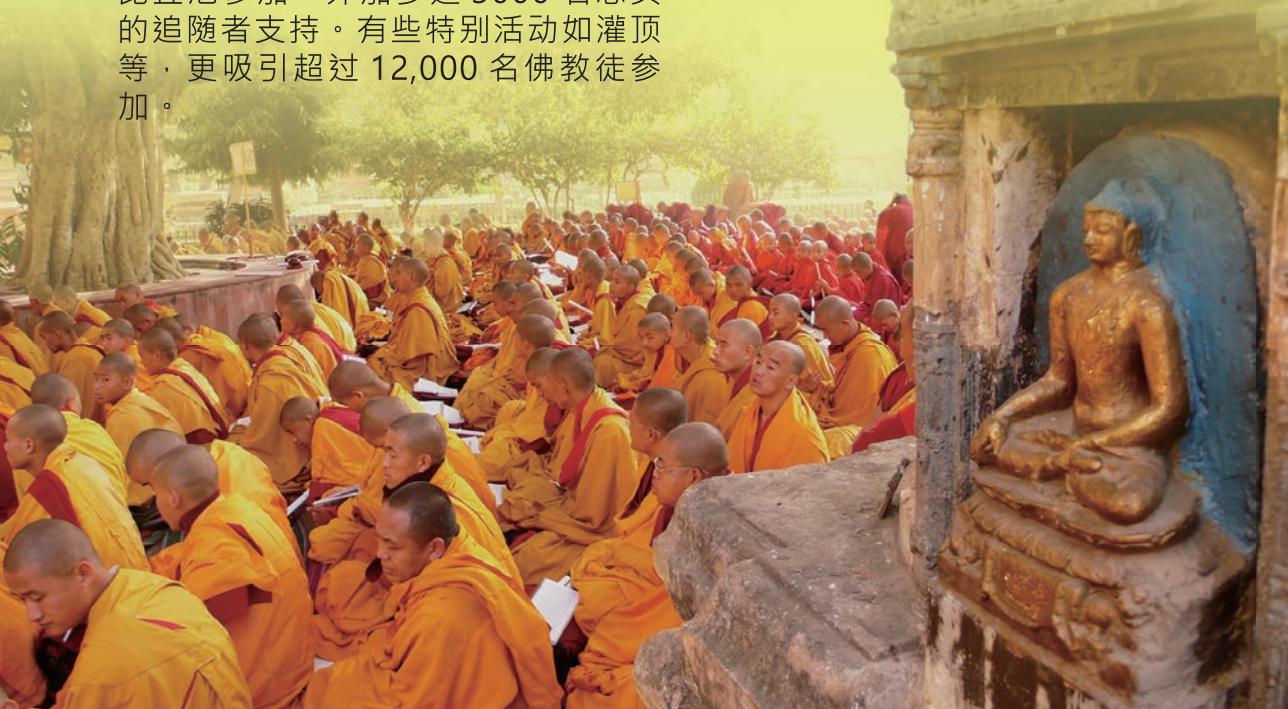

藏文 mon 音「蒙」是指希望、愿望、发愿和 lam 音「霖」是指路径及方向。

念诵祈愿文是佛教最初的基本修行方法；祈愿文如四无量心文：.... 愿一切有情具乐及乐因.... 等。至诚念诵祈愿文不仅对诵者有益，更能利益他人，积少成多从而影响世界。

我们深信群体念诵祈愿文的力量是不可思议的。参与法会者的功德是相等于群体念诵祈愿文的功德。

比丘、比丘尼、男女居士四众弟子能以清净戒体持诵祈愿文，所有祈愿必能如愿遂意。

噶举祈愿大法会的功德利益回向社区、国家及世界；愿风调雨顺，国泰民安，世界和平。

Akshobhya Ritual

The Akshobhya ritual is a very powerful purification practice done for the benefit of all sentient beings. The recitation of this dharani is believed to purify all karmic obscurations and all the karma flowing from lifetime to lifetime. It can liberate not only the practitioners themselves from the fear of an unfortunate rebirth, but other beings as well. The Buddha Akshobhya promised that the merit generated could be dedicated to:

1. THE LIVING ONE, Buddha Akshobhya promised to Liberate everyone from All Sufferings and Obscurations'.
2. THE DECEASED, Buddha Akshobhya assured to release them from lower states of existence and rebirth in spiritually fortunate circumstances.

Jangchok Puja

During the Monlam, friends and relatives had been making donations and giving the names of the living and the deceased. The purpose of Jangchok puja is to purify and pacify.

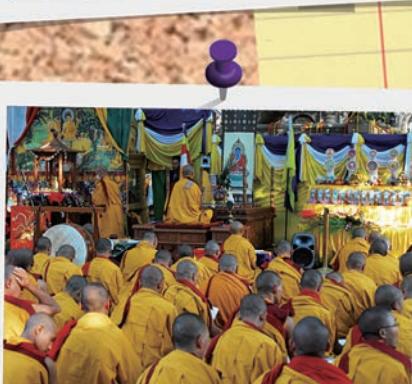

不动佛仪式

「不动佛仪式」有非常强大的净化力量，为利益众生故，其心咒更有拔除宿业和恶缘，解脱众生往生恶趣的恐惧。不动佛应许以所积功德回向：

- 1) 生者：拔济苦难，消灾延寿。
- 2) 往生者：速离恶趣轮回，往生得闻佛法的善处。

超荐法会

在祈愿大法会期间，为亲友赞助支持和参加消灾除障和超荐往生牌位，这超荐仪式，正是为他们净除和息灾。

Lama Dance

It is very pleased to announce that our Center is organizing the Lama Dance for the very first time in Sibu. A fire puja will be performed before the Lama Dance.

Guru Rinpoche Amitayus Lama Dance will be performed by about 15 well-trained monks from Nepal. The Lama Dance was created by Guru Rinpoche in the 8th century in order to remove or destroy the obstacles to the development of Buddhism. Guru Rinpoche Amitayus Lama Dance has the same purpose. Lama Dance will be performed with mask and ornate costume by monks.

In the dance the Protectors cut through any obstacles in the coming year, which means clearing away of all the negativities and obstructive forces accumulated over the past years setting the tone for the coming year to begin anew - with purity, auspiciousness and joy. A Lama Dance exhibits a mandala of Guru Rinpoche with the blessings from the lineage, it is also called an approach of "Seen and Enlightened".

金刚舞

马来西亚诗巫南无布达佛教学会隆重宣布在诗巫举办第一次的金刚舞表演，本会特意从尼泊尔邀请了15位训练有素的僧侣演出「无量寿莲华光明大师舞」。

在八世纪莲花生大师把佛教传入西藏，创金刚舞以表演形式为佛教消灾劫除障碍。「无量寿莲华光明大师舞」也有着相同意义，僧侣演出时将戴上面具及穿着华美绚丽的衣饰。为诗巫带来无尽的和谐、幸福、安乐及颐悦。

金刚舞演出代表着为我们消灾除障，将过往所积聚的恶业及灾障一并清除，并为未来带来平安吉祥。是次，喇嘛舞的表演展现莲师坛城的象征，观众将得到其传承的加持与护佑，有「一历眼根，永留佛种，直至成佛」之意义及因缘。
